Registration

Former Campers have priority until December 1st. New four week campers will be given first priority thereafter.

New Campers are accepted in the order in which registrations are received by the camp office and after the vacancies in the various age groups have been determined. Since seven, eight and nine year old applicants constitute a new group each year, they usually can be accepted without delay.

Visitor Days

In addition to the two one month sessions, Tanamakoon offers four two-week periods for young and first time campers. The two week option is limited in both months. Previous two week campers are strongly encouraged to register for one month.

There are no extra charges for regular camp activities, but parents will be asked to deposit \$180.00 for laundry, life saving awards, miscellaneous tuck shop items, bus travel, visitor transportation and tripping permits. Full season campers deposit \$350.00.

Campers travel by chartered bus between Toronto and Algonquin Park. Arrangements for Airport pick-up and departure can be made through the camp office.

There are excellent facilities for all activities offered. At the waterfront there is instruction from beginners' to advanced level in swimming, diving, life saving, canoeing, kayaking, windsurfing and sailing. There are comparable programmes at lapidary, archery, arts and crafts, theatre arts, tennis, fitness, woodworking and woodcraft. Particular emphasis is placed on Environmental Awareness and Education in our programme. The daily programme is based on individual choice; each camper progresses at her own level of skill. All one month campers have the opportunity to go on a canoe trip.

Evening programmes are recreational fun ranging from music to group games or campfires. There are cookouts and many special events which highlight the summer. All Camp Programmes such as tournaments and theme days are carefully planned to include the interests of every camper. Campers are encouraged to bring their own fishing rods.

The ratio of total counselor staff to campers is one to three; with very few exceptions the minimum age for counselors is eighteen. Most are former campers and many are university students or graduates. No junior counselors are employed.

Tribal Membership is determined by age and cabin grouping. Campers range in age from seven through sixteen and are divided into tribes: Ojibway, Sioux, Algonquin, Shawnee and Cree. They elect their own leaders and plan many of their own evening programmes and special events.

The camp reserves the right to make final decisions regarding tribal and cabin placement. Friendships, compatibility, age, grade in school, height, general maturity, and the new campers are considered in planning congenial groupings. Cabin request forms are sent out in April.

Campers wishing to request a friend must (1) obtain the consent of the proposed cabin mate, and (2) be sure that they are the same age and/or grade in school. Multiple cabin requests may not be honoured!

Tan t-shirts and plain dark green shorts, green socks and sweatshirts are the official daytime uniform. These may be purchased at any shop you choose. Information about uniform clothing will be sent to you in the early spring. Suitable camp clothing of any design or colour is worn after the afternoon swim.

Please note that all campers must bring biodegradeable soap and their own paddle and lifejacket.

Saturday, July 17th and Saturday, August 14th.
